

LEON

Hello, my name is Leon Perniciaro.

NATHAN

And I'm Jon Nathan Raby.

LEON

We are Chicken Patty Mondays,  
presenting you here Tink and Jupiter,  
an eight-part fantasy podcast...

NATHAN

Tink is a high school student in  
Suburban New Orleans who one day  
discovers she can talk to machines...

LEON

But when one of them escapes to wreak  
havoc on the neighborhood...

NATHAN

She sets out to put him back to sleep  
and undo the damage he's caused...

LEON

Before it's too late.

NATHAN

...Plus there are talking rats--

LEON

No spoilers! Tink & Jupiter was  
recorded in Gentilly, New Orleans, and  
stars Zelda Kimble, Maria Perniciaro,  
and David Waguespack...

NATHAN

--And Jupiter, a retro gaming console  
shaped like a box robot--

LEON

Quiet, you. So, tune in each Monday for  
a new episode of Tink & Jupiter, a  
fantasy podcast about obsolescence and  
growing up...

NATHAN

Growing up with robots.

LEON

Thank you for listening.
