★ 1940 Indian Sport Scout - \$7000

1940 Indian Sport Scout Motorcycle. It is fairly complete restoration project with a real nice frame, fenders, front fork, and handlebar assembly. These bikes have a 750cc (45 cubic inch) flathead v-twin motor that has good power to weight ratio and is fun to ride. The open fendered early post war Indians are

highly collectible and are a work of art.
